ELECTRIC SCOOTER ADVENTURE

CORPORATE DAYS OUT

EXPLORE THE BEAUTIFUL CHARLTON PARK ESTATE

Our private electric scooter tours take you through a variety of terrains—forest trails, muddy paths, and open fields—providing a unique opportunity for teams to bond in a fun, adventurous setting. With no prior experience required, our guided tours are suitable for all skill levels. Each group will receive a detailed safety briefing, ensuring a comfortable and safe ride for everyone.

Whether you're a seasoned rider or a beginner, the focus is on collaboration and camaraderie as you explore together. Guides will be on hand to capture unforgettable moments and ensure everyone has an enjoyable experience. We can accommodate groups of up to 20 drivers simultaneously, however can accommodate more, making this the ideal activity for corporate teams looking for an engaging and memorable day out.

- Private group sessions available
- Daily departures
- Inclusive; we can accommodate all looking for adventure!
- Explore the historic Cotswolds Estate

"Amazing time with Baboon Adventures, lots of fun to be had flying around on the scooters. Would highly recommend. Scooters in great condition, instructors great too. Set the tone well for our whole group of 14 people"

Excellent activity.

Friendly staff, who provided all the information required in advance, along with some added extras on

the history of the area and facts about the park on the tour.

Would recommend for a corporate team building event, or a group of friends looking for a laugh.
